**INVESTMENT ADVISOR IS CERTIFIED FOR
FIDUCIARY EXCELLENCE**

TORONTO, January 22, 2008 – CEFEX, Centre for Fiduciary Excellence, LLC, has certified Resource Consulting Group, Inc., of Orlando, FL to the Fiduciary Practices for Investment Advisors. Resource Consulting Group (RCG) is among the first Investment Advisors globally, to successfully complete the independent certification process.

The Fiduciary Practices describe how an Investment Advisor assumes the responsibility for managing a client's overall investment strategy: deciding on the client's asset allocation, developing the client's investment strategy, implementing the strategy with appropriate investment managers, and monitoring the strategy on an ongoing basis.

According to the General Manager of the Centre for Fiduciary Excellence, Carlos Panksep, "Through CEFEX's independent assessment, the certification provides assurance to investors, both institutional and individual, that RCG has demonstrated adherence to the industry's best fiduciary practices. This indicates that RCG's interests are aligned with those of investors."

RCG offers investment advisory services for ERISA DB and DC plans, personal trusts, high net worth individuals, foundations, endowments and corporate owned investment accounts. "RCG has exhibited full adherence to the fiduciary practices," said Christine Denton, the CEFEX analyst who led the assessment. "The firm is highly communicative internally and externally, resulting in excellent transparency and accountability."

The annual certification process involves a detailed assessment of operational data and procedures, followed by on-site interviews with key personnel. RCG is registered at www.cefex.org where its certificate can also be viewed.

The Fiduciary Practices are substantiated by legislation, case law and regulatory opinion letters from the Employee Retirement Income Security Act (ERISA), Uniform Prudent Investor Act (UPIA), Uniform Prudent Management of Institutional Funds Act (UPMIFA) and the Uniform Management of Public Employee Retirement Systems Act (MPERS) in the U.S.

A full copy of the Fiduciary Practices is available at www.cefex.org and a summary can be viewed by clicking on RCG's on-line CEFEX certificate. More information on RCG is available at: www.resourceconsulting.com.
